Exciting News: Genpact Launches New Hub in Kuala Lumpur

Dear Team,

We're excited to announce the opening of **Genpact's new hub in Kuala Lumpur, Malaysia**—a key step in strengthening our global footprint and advancing our specialized solutions.

The Kuala Lumpur hub will focus on:

- **Advanced Analytics Solutions** – helping clients unlock deeper insights for smarter decision-making.

- **Financial Crime Risk Management** – safeguarding global enterprises against evolving threats.

- **Data Engineering Services** – building scalable, future-ready data ecosystems.

This new hub reinforces our commitment to delivering innovation, resilience, and value to clients worldwide, while creating new opportunities for growth and collaboration across our teams.

Let's celebrate this important milestone together and extend a warm welcome to our colleagues in Kuala Lumpur as they embark on this exciting journey with us.

Warm Regards,

Corporate Communications Team
